

Edmonton Community Foundation & Edmonton Social Planning Council

Vital Signs 2014

Indicators and Data Sources

Notes: Indicators and Sources are listed in the order they appear in the publication. All of the data on the cover page Infographic is cited elsewhere in the publication except for that listed. URL links for the Youth Survey and the Leger Report are only included the first time they are cited. URL links are not included for CANSIM Tables because they require selection of relevant characteristics (e.g. geographies, age) in order to produce a data table.
